

Program Terms

Plaque: The program is designed to pay tribute to a living or deceased person and is not intended for advertising. A business may be mentioned as the donor. However, businesses that conflict with the department's mission may be denied.

10 Year Guarantee: The life of the bench will vary based upon location, exposure to the elements and level of use. However, they are guaranteed for 10 years. The department will make their best effort to notify the donor that the term of the agreement is up for renewal. The original donor has the opportunity to renew the agreement by submitting an additional donation.

Term Agreement: If the agreement is not renewed prior to the expiration of the term, staff may remove the plaque and the bench location will once again be available for a new Memorial Bench agreement.

Memorial Benches: The benches remain the property of the Town of Southern Pines.

Location: Major park renovations may alter the exact location of the bench during its term. However, the bench will remain within the original park site until the end of the Memorial Bench Program term.
